

TROOP 30122 NEWSLETTER

FEBRUARY 2013

I hope everyone had a wonderful time making tray favors for the Children's Hospital at our last meeting. Thanks to Elizabeth Ball and Julie Mercer, our lessons in "considerate and caring" were absolutely appropriate and well thought out. Thanks you two!

Thank to all who participated in the Daisy Songfest on February 1st. Our troop did a fabulous job singing the "Daisy Smile Song" for all the other Daisy troops in the Orinda-Moraga area. They also enjoyed hearing other troops sing silly songs like "Hermie the Worm" and "Bubblegum," even Girl Scout Classics like "Make New Friends" – we know that one real well now! Each participating girl should have received a Songfest patch, which can be put on the back of the Daisy Tunic. If you didn't receive a patch, please contact our Songfest troop coordinator, Stacy Crinks at stacy@contentbureau.com. Thanks Stacy!

INVESTITURE UPDATE

After a troop-wide vote, May 5th was the winning date (by a slight margin). Most of you expressed your willing to participate on either date, the 5th or the 12th, but as it was pointed out the 12th is Mother's Day (I totally didn't even recognize it!). So Sunday - May 5th it is. The Investiture will take place from 10-11am with set-up shifts from 9-10am and clean-up shifts 11-12pm. I will readjust the Volunteer Sign-up accordingly. Please note that there will be two (2) practice sessions - one in March and one in April - and you need only attend one. Dates for these practice sessions TBA.

Troop Movie Night – Summer 2013

Are you ready to get out and enjoy a night with your fellow Daisies? Parents, are you ready for a night out too? Troop Movie Night is just around the corner:

Saturday – February 23, 2013 (5 – 8pm)

434 Moraga Way, Orinda

We'll start the night with an activity dedicated to World Thinking Day (Girl Scout Week), prepare our own snacks, and sit down for a fun family film.

Come in your PJ's and bring a blanket/pillow! Best of all – we earn a patch! SIBLINGS WELCOME!

WORLD THINKING DAY 2013

Our troop will be celebrating World Thinking Day at our movie night on Feb 23. We will be focusing on the health and hygiene of 3rd world countries and their lack of facilities, and as an activity we will be making a travel hygiene kit. For this to be successful we need some donated supplies. Please let Corrine Dugan know if you can provide us with any of the following (in 15 count): mini bars of soap, Purell, antibacterial wipes, travel toothbrush and travel toothpaste! We will be earning a patch for our celebration of World Thinking Day!
