

TROOP 30122 NEWSLETTER

APRIL 2013

I want to thank our Brownie friends from Troop 32456 for leading our meeting this month. It's amazing how much we can learn from our sister troops, not just about resource conservation but about leadership: where leading-by-example goes above and beyond the standard curriculum. So I hope the meeting was fun for you all, as there will be plenty more of these mixer events coming down our Daisy path this Spring and next year!

And speaking of Spring, we are already rounding the corner to April and May – the last two months of the Girl Scout year (informal summer events will be planned for those sticking around, don't worry). For now however, I want to prepare you for what lies ahead on our calendar

Investiture Ceremony – May 5th

Investiture is perhaps our biggest event of the year – it's a ceremony that marks the official welcome of new girls and their families into Girl Scouts. This event will take place on Sunday May 5th at 10:00am and will follow with a potluck reception. This is a family event and all are welcome.

The Daisies will need to prepare for this event, so two practice sessions will be held in the week prior to the event: see below. Girls must attend at least one of these practice sessions.

Expect both an EVITE for the Investiture and a Potluck Sign-up form to hit your INBOX in the next week.
